None of these modifications materially or adversely affects the treatment of any Holder of a Claim or Interest under the Plan. Accordingly, pursuant to section 1127(a) of the Bankruptcy Code, none of the modifications require additional disclosure under section 1125 of the Bankruptcy Code or re-solicitation of votes under section 1126 of the Bankruptcy Code. Notice regarding the substance of any modifications to the Plan, together with the filing with the Court of the Plan as modified, and the disclosure of the Plan modifications on the record at or prior to the Confirmation Hearing constitute due and sufficient notice of any and all such modifications.

18. Further, in accordance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims and Interests who voted to accept the Plan or who are conclusively presumed to have accepted the Plan are deemed to have accepted the Plan as modified by the Plan modifications. The modifications to the Plan are hereby approved, pursuant to section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019. The Plan as modified on September 30, 2024 and filed at Docket No. 26029 shall constitute the Plan submitted for Confirmation. No Holder of a Claim or Interest shall be permitted to change its vote as a consequence of the Plan modifications unless otherwise agreed to by the Holder of the

Claim or Interest and the Debtors and such change is approved by the Court in accordance with Bankruptcy Rule 3018(a).

L. Plan Supplement

19. On August 2, 2024, the Debtors filed the Plan Supplement with the Court. The Debtors filed an additional Plan Supplement on September 23, 2024, providing an amended list of executory contracts rejected and assumed. The documents contained in the Plan Supplement are integral to, part of and incorporated by reference into the Plan. The Plan Supplement (including as subsequently modified, supplemented, or otherwise amended pursuant to a filing with the Court) complies with the terms of the Plan, and the filing and notice of all documents contained in the Plan Supplement constitute good and proper notice in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the Solicitation Procedures Order, and no other or further notice is or shall be required. Pursuant to the Plan, the Debtors may file additional documents as amendments to the Plan Supplement on or prior to the Effective Date in a manner consistent with and contemplated by the Plan or this Confirmation Order. The transmittal and notice of the Plan Supplement (and all documents identified therein) were appropriate and satisfactory based upon the circumstances of these Chapter 11 Cases and were conducted in good faith. No other or further notice with respect to the Plan Supplement (and all documents identified therein) is necessary or shall be required.

M. Assets Held By the Debtors

20. The factual record establishes that all Digital Assets and Cash held by the FTX Exchanges on or after the Petition Date ("Exchange Assets") are property of the Debtors' Estates within the meaning of section 541 of the Bankruptcy Code and can be distributed pursuant to the Plan. Further, to the extent that any Exchange Assets are not property of the Debtors' Estates, this Court has jurisdiction to direct their equitable distribution pursuant to the

Plan and in accordance with the terms of the Customer Priority Settlement (as defined in the Disclosure Statement) incorporated therein.

N. Bankruptcy Rule 3016

21. The Plan is dated and identifies the Debtors as the entities submitting it, thereby satisfying Bankruptcy Rule 3016(a). The filing of the Disclosure Statement with the Clerk of the Court satisfied Bankruptcy Rule 3016(b).

O. Burden of Proof

22. The Debtors, as proponents of the Plan, have met their burden of proving that the elements of sections 1129(a) and 1129(b) of the Bankruptcy Code are satisfied. Each witness who submitted a declaration or testified at the Confirmation Hearing on behalf of the Debtors, including the Confirmation Declarations, or any other party that was accepted into evidence, in support of the Plan and Confirmation, in connection with the Confirmation Hearing was credible, reliable, and qualified to testify as to the topics addressed in their testimony.

P. Compliance with the Requirements of Section 1129 of the Bankruptcy Code

23. The Plan complies with all applicable provisions of section 1129 of the Bankruptcy Code as follows:

i. Section 1129(a)(1)—Compliance of the Plan with Applicable Provisions of the Bankruptcy Code

24. The Plan complies with all applicable provisions of the Bankruptcy Code as required by section 1129(a)(1) of the Bankruptcy Code, including sections 1122 and 1123 thereof.

a. Sections 1122 and 1123(a)(1)—Proper Classification

25. The classification of Claims and Interests under the Plan is proper under the Bankruptcy Code. Pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code, Article

4 of the Plan provides for the separate classification of Claims and Interests into twenty-eight (28) Classes, based on differences in the legal nature or priority of such Claims and Interests (other than Administrative Claims, including Professional Claims, and 503(b)(9) Claims, which are addressed in Article 3 of the Plan and which are not required to be designated as separate Classes of Claims pursuant to section 1123(a)(1) of the Bankruptcy Code). Valid business, factual and legal reasons exist for the separate classification of the various Classes of Claims and Interests created under the Plan, the classifications were not created for any improper purpose, and the creation of such Classes does not unfairly discriminate among Holders of Claims or Interests.

26. The testimony and documents supporting Confirmation of the Plan proffered or adduced by the Debtors at, or prior to, or in declarations filed in connection with, the Confirmation Hearing (a) are reasonable, persuasive, credible and accurate, (b) utilize reasonable and appropriate methodologies and assumptions and (c) have not been controverted by other credible evidence.

27. As required by section 1122(a) of the Bankruptcy Code, each Class of Claims and Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class. Accordingly, the requirements of sections 1122(a), 1122(b) and 1123(a)(1) of the Bankruptcy Code are satisfied.

b. Section 1123(a)(2)—Specification of Unimpaired Classes

28. Section 4.3 of the Plan specifies that Claims in Class 1, Class 2, Class 3B, Class 4, Class 5C and Class 8A are Unimpaired under the Plan. Administrative Claims, including Professional Claims, and 503(b)(9) Claims also are Unimpaired under the Plan, although these Claims are not classified under the Plan. Accordingly, the requirements of section 1123(a)(2) of the Bankruptcy Code are satisfied.

c. **Section 1123(a)(3)—Specification of Treatment of Impaired Classes**

29. Section 4.3 of the Plan specifies that Claims and Interests, as applicable, in Class 3A, Class 5A, Class 5B, Class 6A, Class 6B, Class 7A, Class 7B, Class 7C, Class 8B, Class 8C, Class 9, Class 10A, Class 10B, Class 10C, Class 11, Class 12, Class 13, Class 14, Class 15, Class 16, Class 17 and Class 18 are Impaired under the Plan and the treatment for each such Impaired Class. Accordingly, the requirements of section 1123(a)(3) of the Bankruptcy Code are satisfied.

d. **Section 1123(a)(4)—No Discrimination**

30. Pursuant to section 1123(a)(4) of the Bankruptcy Code, Article 4 of the Plan uniformly provides for the same treatment of each Claim or Interest, as the case may be, in a particular Class, unless the Holder of a particular Claim or Interest has agreed to a less favorable treatment with respect to such Claim or Interest. Accordingly, the requirements of section 1123(a)(4) of the Bankruptcy Code are satisfied.

e. **Section 1123(a)(5)—Adequate Means for Plan Implementation**

31. Pursuant to section 1123(a)(5) of the Bankruptcy Code, Article 5 and various other provisions of the Plan, along with various agreements set forth in the Plan Supplement, provide adequate and proper means for the Plan's implementation. Accordingly, the requirements of section 1123(a)(5) of the Bankruptcy Code are satisfied.

f. **Section 1123(a)(6)—Voting Power of Equity Securities**

32. On the Effective Date, all Plan Assets shall be transferred to and vest in the Wind Down Entities free and clear of all Liens, Claims, charges or other encumbrances or interests. The Wind Down Entities shall be managed by the Plan Administrator and shall be subject to a Wind Down Board. No new equity securities, voting or non-voting, will be issued

after the Effective Date. Accordingly, the Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code.

g. Section 1123(a)(7)—Directors and Officers

33. Section 5.11 of the Plan provides for the establishment of and the appointment of directors to the Wind Down Board. The identities of the initial Wind Down Board are disclosed in the Plan Supplement. The Liquidating Trust Agreement, attached as Exhibit 2 to the Plan Supplement, properly and adequately discloses the manner of selection and replacement of any director of the Wind Down Board and officer of the Consolidated Wind Down Trust (a/k/a the FTX Recovery Trust). The appointment of the Wind Down Board is consistent with the interests of Holders, the Estates and public policy.

34. Pursuant to the terms of the Plan Administration Agreement, attached as Exhibit 1 to the Plan Supplement, the Liquidating Trust Agreement, attached as Exhibit 2 to the Plan Supplement and the Plan, and to the extent such powers, duties, and authorities do not affect the status of the Consolidated Wind Down Trust as a liquidating trust for United States federal income tax purposes, the Plan Administrator will be empowered to, among other things, (i) file, withdraw or litigate to judgment objections to Claims, other than Claims that are subject to a valid and timely Bahamas Opt-In Election, (ii) settle or compromise any Disputed Claim without any further notice to or action, order or approval of the Court, (iii) administer and adjust, or cause to be administered and adjusted, the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval of the Court, (iv) determine, without the need for notice to or action, order or approval of the Court, that a Claim subject to any Proof of Claim that is filed is Allowed, (v) dissolve, liquidate, consolidate, merge or take any other action to effect dissolution of any Debtors and non-Debtor subsidiaries, and (vi) make and manage Distributions in accordance with and pursuant to the Plan and the Plan

Supplement, in each case, with respect to the Plan Assets which vest in the Consolidated Wind Down Trust. The foregoing is consistent with the interests of the beneficiaries of the Consolidated Wind Down Trust and public policy. Accordingly, the requirements of section 1123(a)(7) of the Bankruptcy Code are satisfied.

h. Section 1123(b)—Discretionary Contents of the Plan

35. The Plan contains various provisions that may be construed as discretionary and are not required for Confirmation under the Bankruptcy Code. As set forth below, such discretionary provisions comply with section 1123(b) of the Bankruptcy Code and are not inconsistent with the applicable provisions of the Bankruptcy Code. Thus, section 1123(b) of the Bankruptcy Code is satisfied.

i. Section 1123(b)(1)-(2)—Claims and Executory Contracts

36. Pursuant to sections 1123(b)(1) and 1123(b)(2) of the Bankruptcy Code, Article 4 of the Plan impairs or leaves unimpaired, as the case may be, each Class of Claims and Interests.

37. Article 6 of the Plan provides for the rejection of all Executory Contracts and Unexpired Leases of the Debtors, other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Court, (b) that are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan.

j. Section 1123(b)(3)—Settlement, Releases, Exculpation, Injunction and Preservation of Causes of Action and Defenses

38. **Compromise and Settlement.** The Plan settles certain issues in these Chapter 11 Cases pursuant to Bankruptcy Rule 9019 and section 363 of the Bankruptcy Code. These settlements are in consideration for the Distributions and other benefits provided under the

Plan and any other compromise and settlement provisions of the Plan. The Plan itself constitutes a compromise of all Claims, Interests and Causes of Action relating to the contractual, legal and subordination rights that any Holder may have with respect to any Allowed Claim or Allowed Interest or any Distribution to be made on account of such Allowed Claim or Allowed Interest. The compromises and settlements embodied in the Plan were reached after good faith, arms'-length negotiations between the Debtors, the Supporting Parties and other respective parties.

39. Specifically, in consideration of the classification, treatment, Distributions, releases and other benefits provided by the Debtors to their stakeholders under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good-faith compromise, settlement and resolution (the "Global Settlement") of all Claims, Interests and Causes of Action against, by or among the Debtors, including without limitation: (a) the actual or purported fraud, unjust enrichment, misappropriation, conversion and misconduct of former Insiders; (b) any basis for the contractual, structural and legal subordination rights of any Claim or Interest or any Distribution to be made on account of any Claim or Interest; (c) the purported commingling and misuse of customer deposits and corporate funds; (d) the tracing of assets of individual Debtors to particular sources of funding; (e) transactions among the Debtors prior to and on the Effective Date; (f) the allocation of corporate and administrative expenses across each of the Debtors; (g) the effects and consequences of the Debtors' Terms of Service and whether the assets held by the FTX.com Exchange and the FTX.US Exchange are property of the Debtors' Estates; (h) the Debtors' disregard for corporate separateness before the Petition Date; (i) any causes of action by a Debtor against other Debtors; (j) the purported absence of adequate corporate governance, cash management, accounting and cybersecurity controls by the Debtors and their Affiliates prior to

the commencement of the Chapter 11 Cases; and (k) all Causes of Action relating to any of the foregoing.

40. In connection with the implementation of the Global Settlement pursuant to the Plan: (a) the value of Claims in respect of Digital Assets shall be calculated pursuant to Section 4.4 of the Plan; (b) the Dotcom Intercompany Shortfall Claim and the U.S. Intercompany Shortfall Claim shall be recognized for the benefit of Holders of Allowed Dotcom Customer Entitlement Claims and Allowed U.S. Customer Entitlement Claims; (c) the Alameda U.S. Customer Claim shall be recognized as part of the General Pool; (d) Claims shall be classified and treated as set forth in Article 4 of the Plan, which entitles Holders of Allowed Dotcom Customer Entitlement Claims and Allowed U.S. Customer Entitlement Claims to recover against the (i) Dotcom Customer Priority Assets and the U.S. Customer Priority Assets, respectively, and (ii) General Pool, in accordance with the waterfall priorities set forth in Section 4.2 of the Plan; (e) the Consolidated Debtors shall be substantively consolidated as set forth in Section 5.7 of the Plan; (f) Cancelled Intercompany Claims, Equitably Subordinated Claims, FTT Claims and Interests and De Minimis Claims shall be cancelled; (g) Separate Subsidiary Intercompany Claims, Senior Subordinated IRS Claims, Senior Subordinated Governmental Claims, Junior Subordinated IRS Claims, Preferred Equity Interests, Section 510(b) Preferred Equity Claims and Section 510(b) Other Equity Claims shall be subordinated to Claims of other Holders, in accordance with the waterfall priorities set forth in Section 4.2 of the Plan; (h) Holders of Other Equity Interests shall recover against the General Pool in accordance with the waterfall priorities set forth in Section 4.2 of the Plan; (i) Distributions to customers and creditors shall be made in Cash (other than in Available NFTs) as set forth in Articles 4 and 7 of the Plan; (j) all assets scheduled by the Debtors shall constitute property of the Debtors' Estates; (k) interest shall be

paid at the applicable rate to Holders of certain Claims in accordance with Section 7.1 of the Plan and the treatment set forth in Section 4.3 of the Plan; and (l) interest shall be paid at the Consensus Rate to Holders of Allowed Dotcom Customer Entitlement Claims, Allowed U.S. Customer Entitlement Claims, Allowed Dotcom Convenience Claims and Allowed U.S. Convenience Claims in accordance with Section 7.1 of the Plan and the treatment set forth in Section 4.3 of the Plan.

41. The entry of this Confirmation Order constitutes the Court's approval of the Global Settlement, including the Customer Priority Settlement, under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as findings by the Court that the Global Settlement is fair, equitable, reasonable and in the best interests of the Debtors, their Estates and Holders of Claims and Interests and fall above the lowest point in the range of reasonableness.

42. **Customer Preference Settlement.** Section 5.5 of the Plan incorporates a separate settlement through the waiver of certain Customer Preference Actions against Holders of Dotcom Customer Entitlement Claims or U.S. Customer Entitlement Claims if such Holder duly executes and timely returns a valid Ballot by the Voting Deadline that (i) votes to accept the Plan, and (ii) consents and stipulates to the amount of such Dotcom Customer Entitlement or U.S. Customer Entitlement Claim as set forth in the applicable Ballot for voting, allowance and Distribution purposes (the "Customer Preference Settlement").

43. The terms of the Customer Preference Settlement, including the preservation of the Excluded Customer Preference Actions, are independently fair, equitable, reasonable and in the best interests of the Debtors, their Estates and Holders of Claims and Interests and fall above the lowest point in the range of reasonableness. The entry of this

Confirmation Order constitutes the Court's approval of the Customer Preference Settlement under sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019.

44. **Releases by the Debtors.** The releases and discharges by the Debtors described in Section 10.4 of the Plan (the "Debtors' Release") pursuant to section 1123(b)(3)(A) of the Bankruptcy Code represent a valid exercise of the Debtors' business judgment.

45. **Voluntary Release by Holders of Claims and Interests.** The voluntary release by certain Holders of Claims and Interests described in Section 10.4 of the Plan (the "Voluntary Release by Holders of Claims and Interests") is appropriate because it was voluntary and all Releasing Parties had the opportunity to opt out of the release. The Voluntary Release by Holders of Claims and Interests is provided only by (a) the Debtors; (b) each member of the Official Committee and the Supporting Parties; (c) the Holders of all Claims who vote to accept the Plan and do not opt out of granting the releases set forth therein; (d) the Holders of all Claims that are Unimpaired under the Plan; (e) the Holders of all Claims whose vote to accept or reject the Plan is solicited but who (i) abstain from voting on the Plan and (ii) do not opt out of granting the releases set forth therein; (f) the Holders of all Claims or Interests who vote to reject the Plan but do not opt out of granting the releases set forth therein; and (g) the Holders of all Claims or Interests who are deemed to reject the Plan and opt in to the releases set forth therein.

46. The Voluntary Release by Holders of Claims and Interests is appropriately narrow in scope. It expressly excludes Claims or Causes of Action arising from gross negligence, willful misconduct, fraud or a criminal act, and it excludes Causes of Action to the extent arising out of conduct that occurred prior to the Petition Date. The Voluntary Release by Holders of Claims and Interests is sufficiently voluntary and can be considered to be (a) given in exchange for the good, valuable and significant consideration provided by the Released Parties;

(b) a good faith settlement and compromise of the claims released by Holders of Claims and Interests electing to provide such release; (c) in the best interests of the Debtors and all Holders; (d) fair, equitable and reasonable; (e) given and made after notice and opportunity for hearing; (f) given at arms'-length and in good faith; (g) appropriately narrow in scope; and (h) a bar to any Releasing Party asserting any and all claims, obligations, rights, suits, damages, Causes of Action and defenses, remedies and liabilities whatsoever, released by the Voluntary Release by Holders of Claims and Interests against any of the Released Parties to the fullest extent permitted by applicable law and is hereby approved.

47. **Exculpation.** The exculpation provisions set forth in Section 10.7 of the Plan are essential to the Plan. The record in these Chapter 11 Cases fully supports the exculpation, and the exculpation provisions set forth in Section 10.7 of the Plan are appropriately tailored to protect the Exculpated Parties from inappropriate litigation related to acts or omissions including and after the Petition Date and up to and including the Effective Date and are hereby approved. For the avoidance of doubt, neither the Ad Hoc Committee nor any of its members are acting as a fiduciary for the benefit of any Debtor, its Estate or its creditors.

48. Based on the record in these Chapter 11 Cases, the Exculpated Parties have acted in "good faith" within the meaning of section 1125(e) of the Bankruptcy Code in compliance with the applicable provisions of the Bankruptcy Code and Bankruptcy Rules in connection with all their respective activities relating to the Plan, including any action or inaction in connection with their participation in the activities described in section 1125 of the Bankruptcy Code. Accordingly, the Exculpated Parties are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Section 10.7 of the Plan. The Exculpated Parties, up to and including the Effective Date, will continue to

act in good faith, if they proceed to (a) consummate the Plan and the agreements, settlements, transactions and transfers contemplated thereby regardless of whether such agreements, settlements, transactions, transfers, and other actions are expressly authorized by this Confirmation Order and (b) take the actions authorized and directed or contemplated by this Confirmation Order. The Exculpated Parties made (and will continue to make) significant contributions to the Chapter 11 Cases and played an integral role in working towards the resolution of the Chapter 11 Cases. Accordingly, the exculpations contemplated by the Plan are an appropriate exercise of the Debtors' business judgment and are fair, reasonable, and appropriate under the circumstances of the Chapter 11 Cases.

49. **Injunction.** The injunction provisions set forth in Section 10.8 of the Plan are essential to the Plan and are (a) necessary to preserve and enforce the Debtors' Release, the Voluntary Release by Holders of Claims and Interests and the exculpation provisions set forth in Section 10.7 of the Plan, (b) fair and reasonable and (c) narrowly tailored to achieve their purpose.

50. Each of the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions are: (a) within the jurisdiction of the Court; (b) an essential means of implementing the Plan; (c) an integral and non-severable element of the settlements and transactions incorporated into the Plan; (d) in the best interests of the Debtors, their Estates and all stakeholders in these Chapter 11 Cases; and (e) narrowly tailored and consistent with sections 105, 1123 and 1129 of the Bankruptcy Code, other provisions of the Bankruptcy Code and other applicable law. Each of the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions were adequately disclosed and explained in the Disclosure

Statement, the Plan and the Solicitation Packages. The record of the Confirmation Hearing and these Chapter 11 Cases is sufficient to support the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions contained in Article 10 of the Plan, and failure to give effect to the foregoing would impair the Debtors' ability to confirm and implement the Plan. Based on the record of the Chapter 11 Cases, the representations of the parties, and the evidence proffered, adduced and presented at the Confirmation Hearing, the Court finds that the Debtors' Release, the Voluntary Release by Holders of Claims and Interests, the exculpation provisions and the injunction provisions contained in Article 10 of the Plan are consistent with the Bankruptcy Code and applicable law.

51. **Preservation of Causes of Action and Defenses.** Subject to the Plan, unless any Causes of Action and defenses held by the Debtors are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan, including pursuant to Article 10 of the Plan or a Final Order, such Causes of Action are expressly reserved by the Consolidated Wind Down Trust for later adjudication and, accordingly, no doctrine of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), laches or other preclusion doctrine shall apply to such Cause of Action as a consequence of Confirmation, the Plan, or the vesting of such Cause of Action in the Consolidated Wind Down Trust. The provisions regarding such Causes of Action retained as Plan Assets in the Plan are appropriate, fair, equitable and reasonable and are in the best interests of the Debtors, their Estates and all Holders.

52. **Section 1123(d)—Cure of Defaults.** Article 6 of the Plan provides for the rejection of all Executory Contracts and Unexpired Leases other than Executory Contracts or Unexpired Leases (a) previously assumed or rejected pursuant to an order of the Court, (b) that

are the subject of a pending motion to assume or (c) that are specifically described in the Plan to be assumed in connection with the Plan.

53. Additionally, the Plan Supplement also included a list of Executory Contracts and Unexpired Leases proposed to be assumed in connection with the Plan. As evidenced by the Cure Affidavits of Service, the Debtors have served the Cure Notices to all applicable counterparties of the Executed Contracts and Unexpired Leases proposed to be assumed in connection with the Plan, which notices included the proposed cure amount and procedures for objecting to, and resolving proposed assumptions of such Executory Contracts and Unexpired Leases. Accordingly, the requirements of section 1123(d) of the Bankruptcy Code are satisfied.

ii. Section 1129(a)(2)—Compliance of the Debtors with the Applicable Provisions of the Bankruptcy Code

54. The Debtors, as proponents of the Plan, have complied with all applicable provisions of the Bankruptcy Code as required by section 1129(a)(2) of the Bankruptcy Code, including sections 1122, 1123, 1124, 1125, 1126 and 1128 of the Bankruptcy Code and Bankruptcy Rules 3017, 3018, 3019 and 9019.

55. Votes to accept or reject the Plan were solicited by the Debtors in accordance with the Solicitation Procedures Order after the Court approved the adequacy of the Disclosure Statement.

56. The Debtors and their agents (including each of their respective directors, officers, employees, members, partners, agents or representatives, including attorneys, accountants, financial advisors and investment bankers, each solely in their capacity as such and solely to the extent such persons or entities solicit votes on the Plan) have solicited and tabulated votes on the Plan and have participated in the activities described in section 1125 of the

Bankruptcy Code in good faith within the meaning of section 1125(c) of the Bankruptcy Code and in a manner consistent with the applicable provisions of the Solicitation Procedures Order, the Bankruptcy Code, the Bankruptcy Rules and all other applicable rules, laws and regulations, and are entitled to the protections afforded by section 1125(c) of the Bankruptcy Code.

57. The Debtors and other Exculpated Parties have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation of acceptances or rejections of the Plan and, therefore, are not, and will not be, liable at any time for the violation of any applicable law, rule or regulation governing the solicitation of acceptances or rejections of the Plan. Accordingly, the requirements of section 1129(a)(2) of the Bankruptcy Code are satisfied.

iii. Section 1129(a)(3)—Proposal of Plan in Good Faith

58. The Debtors have proposed the Plan (including the Plan Documents) in good faith and not by any means forbidden by law. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of these Chapter 11 Cases, the Plan itself and the process leading to its formulation. The Debtors' good faith is evident from the record of these Chapter 11 Cases, the Disclosure Statement and the hearing thereon, the record of the Confirmation Hearing and other proceedings held in these Chapter 11 Cases.

59. The Plan is the product of extensive, good faith, arm's-length negotiations among the Debtors and certain of their principal constituencies, including the Supporting Parties. The Plan itself and the process leading to its formulation provide independent evidence of the Debtors' good faith, serve the public interest and assure fair treatment of Holders. Accordingly, the requirements of section 1129(a)(3) of the Bankruptcy Code are satisfied.

iv. Section 1129(a)(4)—Court Approval of Certain Payments as Reasonable

60. The procedures set forth in the Plan for payment of, and/or the Court's review and ultimate determination of, the fees and expenses to be paid by the Debtors in connection with these Chapter 11 Cases, or in connection with the Plan and incidental to these Chapter 11 Cases, satisfy the objectives of, and are in compliance with, section 1129(a)(4) of the Bankruptcy Code. Accordingly, the requirements of section 1129(a)(4) of the Bankruptcy Code are satisfied.

v. Section 1129(a)(5)—Disclosure of Identity of Proposed Management, Compensation of Insiders and Consistency of Management Proposals with the Interests of Creditors and Public Policy

61. The identities of, and the terms of the proposed compensation (where determined) to be paid to, the directors and officers of the Consolidated Wind Down Trust are consistent with the interests of Holders of Claims and Interests and with public policy. The members of the Creditor Advisory Committee were disclosed in the Plan Supplement as required by Section 1129(a)(5) of the Bankruptcy Code. The proposed directors and officers for the Consolidated Wind Down Trust and members of the Creditor Advisory Committee are qualified, and their appointment to, or continuance in, such office is consistent with the interests of Holders of Claims and Interests and with public policy. Accordingly, the requirements of section 1129(a)(5) of the Bankruptcy Code are satisfied.

vi. Section 1129(a)(6)—Approval of Rate Changes

62. The Plan does not contain any rate changes subject to the jurisdiction of any governmental regulatory commission. Therefore, section 1129(a)(6) of the Bankruptcy Code is inapplicable to these Chapter 11 Cases.
